

## Make Way For Music

**MAKE WAY FOR MUSIC**An evocative selection of songs from the 40's and 50's sung live by Trisha with her high quality backing tracks ( she would bring the band but finds that space is often tight!!).

Song sheets provided and joining in encouraged.

Trisha has also popped a few memorable radio archive bits and pieces in to the mix. She sets the scene with some props and dresses appropriately for the era. You might even find her passing around a few treasured magazines and newspapers from the period for your perusal whilst enjoying the entertainment.

All in all a fun and nostalgic way to spend an hour.

Suitable for clubs, community events, day centres/Residential Homes, private parties & anniversaries etc.
