

Sounds Of The Sixties

Sounds Of The Sixties Spend an hour in the 1960's Come and join with TRISHA LEWIS in spinning some discs and looking at pictures and objects that will spark of memories of the swinging sixties! You can test your 60's general knowledge and have fun giving the tunes a HIT or a MISS!! All of the things that happened during the 60's — the stars , politics , movies , TV, radio, fashions and as for those catchy little tunes — you will be humming them for weeks!

Originally commissioned by Hampshire County Council 'Active Hearts' and designed with the more mature participants in mind - myself being one! Suitable for community clubs, private events and care homes. Can be adapted and tailored to suit.
