A light-hearted look at life-style advice of
the 1950's with singer and entertainer
TRISHA LEWIS

'Lewis holds a captive audience throughout'
Bordon Herald

Trisha has been touring shows around the country for many years! In recent years her tours of the Joyce Grenfell shows were highly acclaimed . She is also a jazz singer who is a little obsessed with the 1950's. This show combines some classic and popular songs of the era with an amusing look at extracts from manuals and magazines of the time.
